WHAT ARE CHILDREN AND YOUNG PEOPLE'S SERVICES COMMITTEES?

Children and Young People's Services Committees (CYPSC) are county-level committees that bring together, around one table, the main public and not-for-profit agencies and organisations providing services to children and young people in a county or across two counties. Their role is to enhance interagency co-operation and collaboration, improving local service provision and support for children and young people in their area. Their purpose is to ensure that children and young people achieve the best possible outcomes in terms of their health, education and social participation; grow up in a happy, safe environment and move confidently into adulthood with skills for life. CYPSCs' remit is to improve outcomes for children and young people aged 0-24 years.

WHO IS ON A CYPSC?

Each CYPSC will have the following member organisations

Tusla Child & Family Agency (CHAIRPERSON)	Local Authorities (VICE CHAIRPERSON)	Health Service Executive	Education & Training Board	Young person (18-24 years)

WHAT DO CYPSC DO?

Each CYPSC develops and then implements a three-year Children and Young People's Plan (CYPP) for their area or county. This plan aims to make improvements in the lives of children and young people across five aspects of their lives, or what we also call five national outcomes for children and young people.

WHAT ARE THE FIVE NATIONAL OUTCOMES FOR CHILDREN AND YOUNG PEOPLE IN IRELAND?

The 5 national outcomes for children and young people in Ireland are that children and young people

- 2 Are achieving their full potential in all areas of learning and development

WHY CYPSC?

“Better Outcomes, Brighter Futures” is Ireland’s National Policy Framework for Children and Young People. It is a whole of government policy that emphasises the importance of everyone working together for the development, to their maximum potential, of children and young people in Ireland. Its vision is for Ireland to be one of the best small countries in the world in which to grow up and raise a family.

“Better Outcomes, Brighter Futures” recognises CYPSC as a key vehicle for local interagency work. It sets out the direction of travel for everyone, including CYPSC, with our destination being the achievement of those five national outcomes; or in other words healthy, safe, educated, respected, happy and fulfilled children and young people.
