

## COVID-19 CYPSC Contingency Arrangements for the Coordination of Services

### Carrigaline Harbour Area

Given the sudden 'invisibility' of children in society due to the 'stay at home' measures, there is growing concern that avenues for children at risk to seek support (school, clubs, sports etc.) have narrowed dangerously and that society may no longer have eyes on, or sight of, the child. At this time in particular, it is important that all of us promote the welfare and safety of children.

Recognising when a child is being harmed can sometimes be hard and knowing when to talk to Tusla Child & Family Agency is important, click [here](#) for more information. If you are worried about a child please contact the **Cork Dedicated Contact Point** Telephone **021 4923493** (Monday - Friday, 9am - 5pm)

**If a child is in immediate danger contact the Gardaí at 112/999 or [www.garda.ie](http://www.garda.ie)**
