CONGRATULATIONS Prize Winners CYPP 2021-2023 Survey

Donegal CYPSC are currently working on the new Children & Young People's Plan (CYPP) 2021-2023. It was really important that the experience, joys, concerns and perspective of young people and their parents in Donegal inform the content of this new Plan. With the help and support of all our CYPSC Partner organisations we consulted with Young People, their Parents and services providers from across the county. A sincere thank you to everyone who contributed, completed the survey or provided information. Everyone who completed the survey had the option of taking part in a Free Prize Draw for One4All Vouchers! We had a great response to these surveys and are delighted to finally be in a position to announce the winners for the One4All Vouchers. All winners have been contacted via email and vouchers will be posted to the lucky winners.
