## WHAT IS IT?

*A project to empower LGBTQI+ women to learn about the law, with particular focus on areas of the law of relevance to them.*

## HOW DOES IT WORK?

*Following a series of introductory sessions, we will host legal literacy workshops on topics decided by participants themselves to help develop belief, capacity and community.*

## MISSION

*The LYIT Law Department and Donegal Women's Centre have a role in supporting marginalised communities – the law can play an important role in enhancing social justice, but it must be accessible to all. Participation in these workshops will provide this access.*

## WHO CAN PARTICIPATE?

*Anyone over the age of 18 who identifies as non-heterosexual or non-cisgender i.e. Lesbian, Gay, Bisexual, Transgender, Queer or otherwise, with a particular focus on marginalised communities.*

## HOW DO I GET INVOLVED?

*Please register your interest at the [sign-up link](#), fill out your information and we will be in touch with further details regarding the workshops.*
