Barnardos
Online Safety
Programme

How we've adapted

For students (3rd-6th class, 1st – 2nd years)

- **Zoom online workshops, 45 minutes long with Q+A**
- **Trainer at home, students in class. Interactive**

For teachers (3rd-6th class):

- Video lessons based on STAR programme

For parents:

- Live parent webinars (from October, check website for dates)
- 5 videos for parents on website currently – www.Barnardos.ie/osp

Google Confidential and Proprietary

How to book

Email: onlinesafety@Barnardos.ie or call us on 01- 708 0478

Online safety in Ireland

Stats in Ireland: What we know

40% of children reported to being online for **over 4 hours a day** during lockdown, whereas 0% said this happened prior to lockdown. *(Barnardos, 2020 report)*

13% of secondary school students have sent a nude or a **semi nude photo** of themselves to others *(Zeeko, 2018 report)*

53% of boys in Ireland first watched **pornography** under the age of 13. *(SMART consent report 2018)*

A link between those who spent more than 3 hours a day online and a higher rate of **depression** and a lower rate of body self-esteem *(My world survey, Jigsaw 2019)*

8% of 10-16 year olds say they have cyberbullied others. **16%** have said they have been cyberbullied. *(HSBC Health Behaviour in School Age Children, 2018)*

Policy landscape in Ireland

- Revision of Primary curriculum 2020
- Online Safety and Media Regulation Bill 2020
- Age of Digital Consent 2018 (16 years of age)

What does Be Internet Legends consist of?

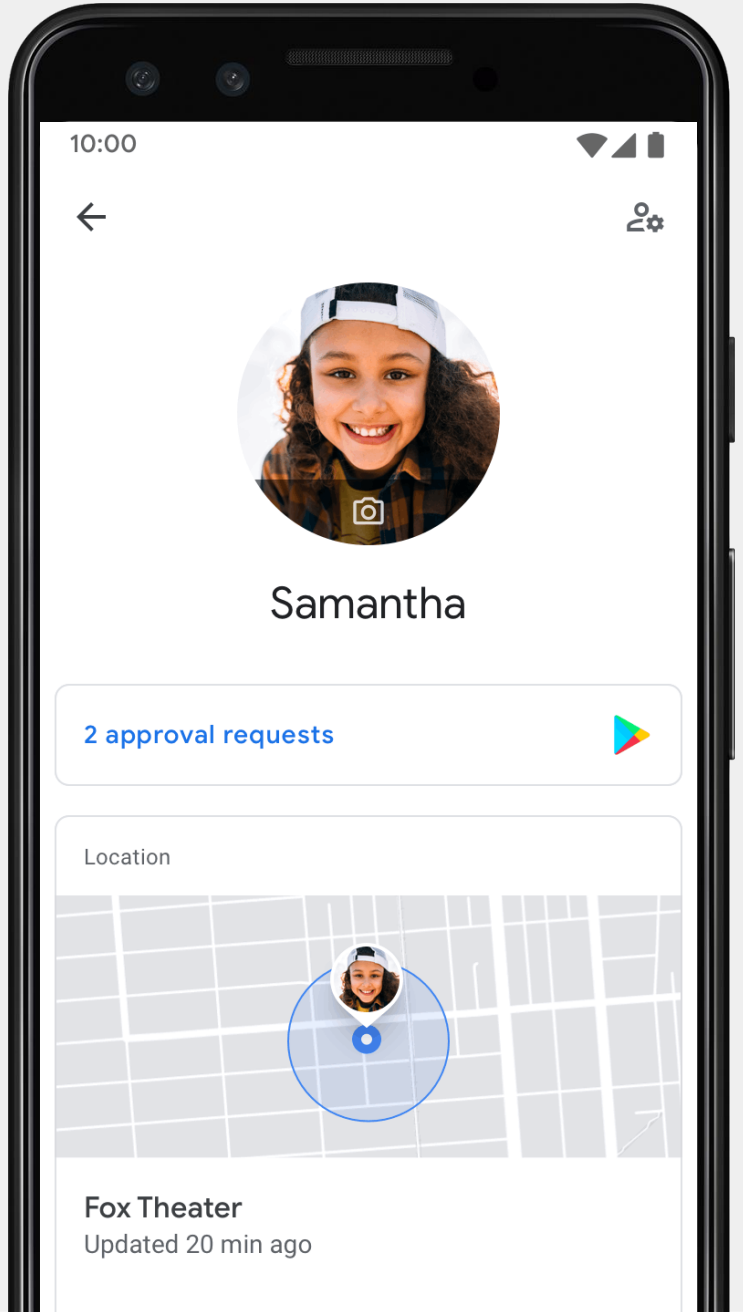
Teacher resources and lesson plans

Interland
online game that teaches the key lessons of internet safety

Family guide with fun activities for parents and children

Introducing Family Link

Family Link helps parents manage their child's Google Account and Chromebook or Android device so they can set digital ground rules that work for their family.



Keep an eye on your kids' screen time

Set daily screen time limits

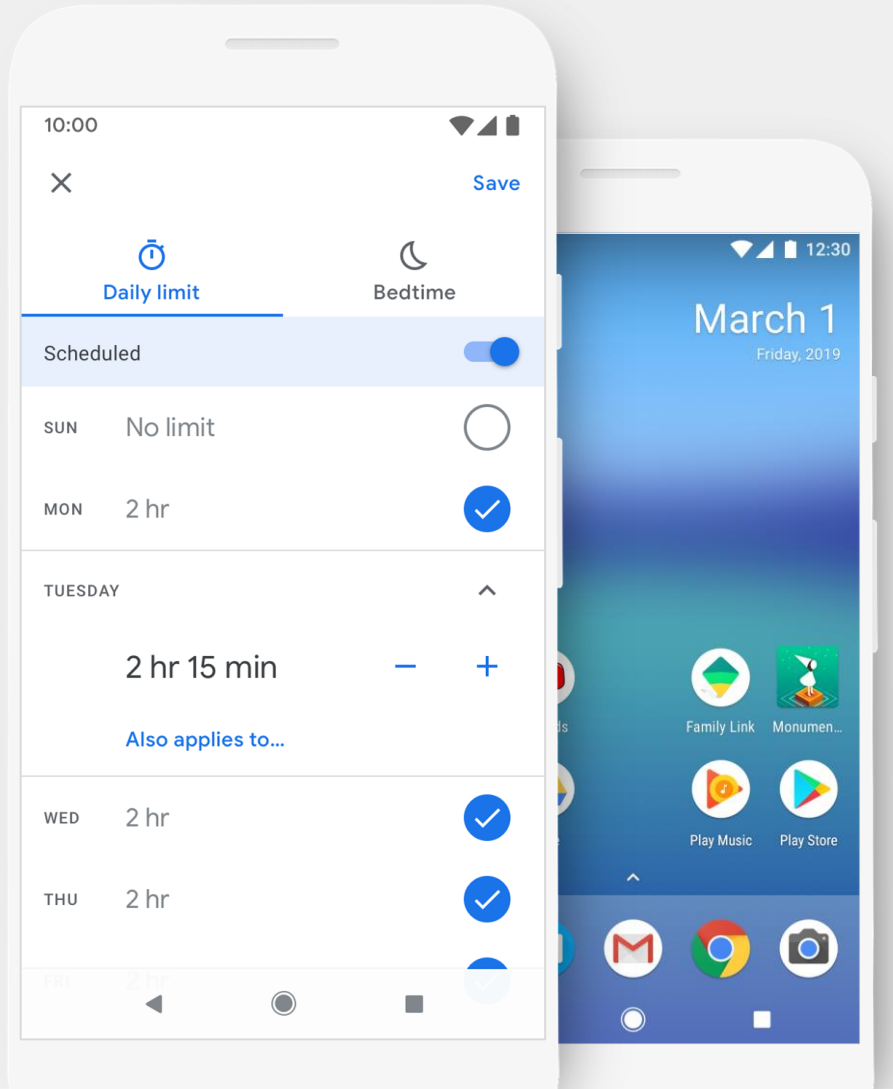
Set a device bedtime

Set per app time limits

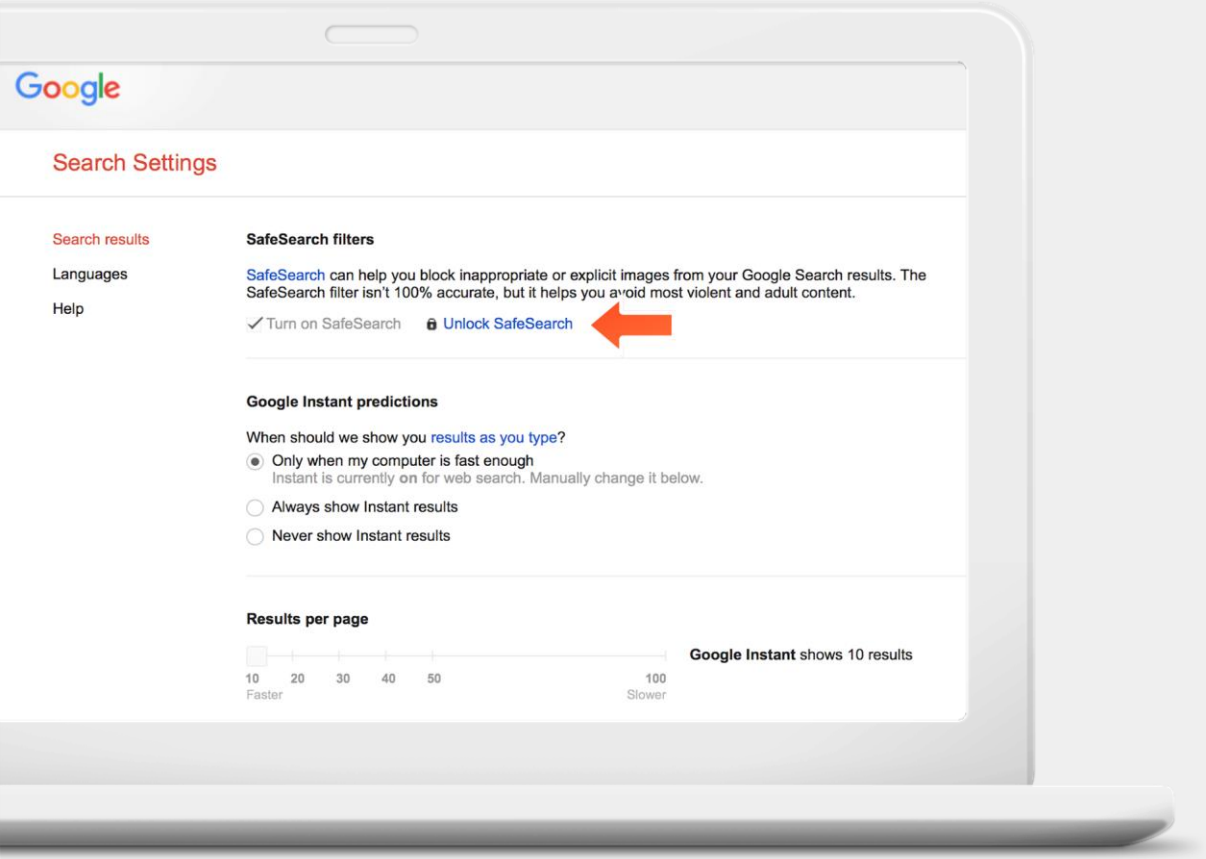
Grant bonus screen time

Lock child's device remotely

Family Link



Search



Or block explicit sites with SafeSearch directly in the browser

SafeSearch helps to **filter explicit content** out of search results.

When SafeSearch is on, it helps block explicit images, videos, and websites from Google Search results.
