Our Family Centres are welcoming and non-clinical and our professionally qualified staff work in partnership with parents and referrers to provide interventions that are therapeutic and supportive.

Services Provided	How to access service
We provide therapeutic services to children, young people and families. We support children (0-18 years) and their parents/ carers through a range of evidenced-based therapeutic interventions. Our approach to working with families is needs-led, solution-focused, strengths-based and outcome	
focused.
