

Letters To Cocooners

Hi Everyone,

We know how important staying in touch is at the moment, it gives us a feeling of belonging, a sense of connection. Dundalk Credit Union are asking young people to take some time out to write to an older person who is cocooning because of COVID 19.

Tell them about your day, your hobbies, let them join your conversation for a little while. This letter from you will be a welcome window outside for them.

Simply write a letter starting Dear Friend, you only need to sign off with your first name.

All letters can be sent to:
Community Response Fund, Dundalk Credit Union, Market Street,
Dundalk c/o Geraldine & Megan.

Everyone loves a letter, but if you can't post it, email it to
communitysupport@dundalkcu.ie

Dundalk Credit Union will then work with all the great COVID 19 support networks across our community to get those letters out to people cocooning.

We are so looking forward to connecting our young people with our older people, you have so much to tell.

Stay safe
