

Survey on Children and Young People's Needs in South Dublin

South Dublin CYPSC is undertaking research to help us write a new Children and Young People's Plan for the South Dublin area, and we need your help!

We would like to ask children and young people about their experience of living in South Dublin and help us plan any services they may want or need.

We would be grateful if you would circulate a link to the online questionnaire to your students / young people and allow them to complete the questionnaire during IT class using I-pad/computer equipment. It should not take more than 10 minutes to complete the questionnaire.

Please click on the link below or scan the QR code to see the questionnaire:
