FDYS -Cloister Youth Café -LGBT+ Groups -Detached Youth Work See below for CYPSC Partner Brief on Simplified Contact System	During the pandemic, we want to remind people that what we are doing stays the same, how we are doing it is slightly different. Our groups and projects are all being carried out virtually, through Google Hangouts/ Zoom and a variety of other social media/ virtual platforms. Whilst our current young people and project members are aware of this and are engaging with these services, we want to get the word out there that new members and young people who wish to join any of our groups are more than welcome. In particular, as detached workers (engaging with young people outside of the project and with young people who are not/ do not, for whatever reason, engage in services) we want to get the word out to as many people as possible that we are available online and would be more than happy to set up a group online to engage with these young people. We happily accept referrals too.	For phone numbers/ details of all other FDYS projects across the county, people can contact the FDYS Facebook Page and reach Youth Information who will signpost them to the service they wish to contact. We are here to help and information on all of our groups, dates, times are updated on our social media and website daily. People are most welcome to ring or message the above numbers for any queries or information during this time and new people are always welcome.	www.fdys.ie Facebook: FDYS County Wexford (people can directly message the page too) Instagram:@ fdysyouthservices Detached workers number: 086 464 5573 Cloister Youth Café number: 085 805 6697 LGBT+ Worker number: 086 464 5573/ emma.whitty@fdys.ie

Service Name	Service Update	Contact Details	Tel / Email / Web
Gorey Youth Needs Group	During Lockdown GYNG were still in operation however services were redesigned in a way that they could delivered online using various platforms, mainly Zoom and Discord. The Facebook page was also very active and the messaging service allowed young people to have a direct line with Youth Workers. GYNG followed official Guidance for the Youth Sector and service provision changed based on the phases in the Governments Road Map out of Lockdown. On the 8 th of June small groups of four resumed face to face and this then increased to groups of 12 outdoors. As of the 24 th of August Official Guidance for Youth Organisations on resuming full service now permits GYNG to facilitate group work indoors with groups of 12. GYNG are fortunate to have the space to allow for social distancing and measures have been put in place to adhere to health & safety recommendations. All Youth Groups are now operating back in the centre.	Mandi Tighe	053 9422611 info@gyng.ie Mandi.tighe@gyng.ie www.gyng.ie
