

The screenshot shows the homepage of the Children & Young People's Services Committees (CYPSC) website. The browser address bar shows the URL dublincypscdirectory.ie. The page features a navigation bar with the following links: [Service Categories](#), [Services Map](#), [About & Contact](#), and [Register a Service](#). The [Register a Service](#) link is highlighted with a red circle. Below the navigation bar is a search form with the heading "FIND SUPPORT & SERVICES". The search form includes a "Keyword search" field with a search icon and the placeholder text "Name or Keyword", a "Service Category" dropdown menu with "All" selected, a "For what age group?" dropdown menu with "Select an option" selected, and a "Where are you looking?" field with the placeholder text "Enter Town or Eircode". A "Search Now" button is located below the search form. The background of the search form area features a photograph of two children in superhero costumes.

Register a Service

If you would like to register a service on the Dublin CYPSC Directory please ensure you first meet the criteria.

Services must:

- Be based in Dublin and provide a service to children, young people or families (0 to 24 years of age, plus pre-birth services) in Dublin City or County area.
- Be a state supported or not for profit service or agency
- Be non-political and non-commercial

Please note: Final decisions on website content, including whether or not an individual service is listed, and on the content of listings, rests with the administrators of the website.

If you have any questions in relation to registration please [contact your local office](#).

If you comply with this criteria please continue with the registration and a member of Dublin CYPSC will be in touch.

[Start registration](#)

Please note - Services will not be activated on the directory until a member of Dublin CYPSC has confirmed your details with you

All registrations will be reviewed before being made live on the directory.
Once you complete this stage you will be sent an email to verify your email along with a login link to allow you to add your service details.
You will also be able to login anytime to edit or add to the profile of your service.

The system administrator will receive notification to verify the account when you create a profile. Your details will not be live until the administrator reviews and activates your account.
