

Disability Equality Training

Break down barriers, Champion inclusivity

Educate your staff to be disability confident and embed inclusivity into your ethos.

This training is run as a social enterprise, our fee will provide more services to people with additional needs.

For more information or to book training please contact us:

 cspmanager@bluestackfoundation.com

Interactive Workshop

Opportunity to learn about disabilities, accessibility requirements and communication strategies

In person training

With over twenty years of experience supporting people with additional needs we believe diversity is not a choice but responsibility

Communication Skills

Be disability confident and learn how best to support people through appropriate language and terminology

Make meaningful changes

Through empathy, education and empowerment we can create a place for everyone to succeed and thrive

Thanks to Healthy Ireland and CYPSC for funding assistance to make this possible!
