

Online webinar to support professionals managing sexualised behaviours in children and young people with additional needs they work with.

Guest Speaker Dr. Patrick Randall

Dr Patrick Randall is a Clinical & Forensic Psychologist with 30 years of experience. He has worked extensively with the courts in Ireland, and provided training to doctoral students in psychology in Trinity & UCD. He is co-chair of the division of Forensic Psychology in the Psychological Society of Ireland. He provides regular clinical input to the HSE and other organisations on harmful sexual behaviour, with neurodiverse populations and those with disabilities.

Wednesday 7th of October
7:30- 9:30 pm
